

BSE TSE Statement

Product identification: ipPORE™ track-etched membrane filters
ipBLACK™ track-etched membrane filters
ipCELLCULTURE™ track-etched membrane filters

This is to certify that the products listed above are produced entirely from materials of synthetic origin and therefore are free from human or any other animal derived materials including bovine products. In addition, there are no animal derived components used in the manufacturing or handling processes of this product.

As such, these products can be declared free of Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).
